

Markdown Fixture Title

1 Introduction

This paragraph runs across two lines and breaks a compound word at the line end. The second paragraph follows after a gap.

Second paragraph starts here with a self-attention term and continues on the next line with self-attention again.

1.1 A List

- first item
- second item that wraps
onto another line
- third item

2 Code and Table

```
int main(void) {  
    return 0;  
}
```

Table 1: A ruled table.

Name	Value
alpha	1.5
beta	2.0

Text after the table.

3 Two Columns
